Sir:

Applicant hereby requests a retroactive two-month extension of time to and including November 7, 2005 in which to respond to the Final Office Action of June 6, 2005. It is noted that Applicant has already paid a one-month extension of time fee of \$60.00 in connection with the filing of the RULE 116 AMENDMENT on September 26, 2005. Accordingly the check enclosed herewith includes an additional \$165.00 for the difference between a two-month extension and the one-month extension which was previously paid. Any further fees or credits in connection with this RCE and related documents may be charged to Deposit Account No. 23-0035.

With regard to the Examiner's comment in the Advisory Action of November 3, 2005 about alleged "missing lines 14-16" in claim 88, it is respectfully requested that

the Examiner look at the amendment again. No language of claim 88 is missing. The lines the Examiner is referring to are found at the top of page 3 of the amendment.

Respectfully submitted,
